- Order Processing is dependent on the date of LHD approval. If an approval deadline is missed, the order will be processed the following CDPH Transmission date.
- Delivery windows are dependent on provider’s days/hours of operation. **Providers must update hours in myCAvax for any holiday or temporary closures. MCKESSON DOES NOT SHIP VACCINES ON FRIDAYS AND NO DELIVERIES ARE MADE ON MONDAYS.**
- Watch for emails regarding order confirmations, advance shipment notices of vaccine, and temperature monitoring alerts.
